

Selected Magazines, Journals, & Periodicals Included in *Britannica Online*

Through a partnership with EBSCO Information Services, *Britannica Online* includes over 400 journals, magazines, and periodicals to use in your research and studies. With new articles appearing each month, you can explore the latest developments in science, politics, the arts, and current events around the world.

You can find full-text articles from the following magazines online at www.search.eb.com. When you search on a topic, click the link that says "Journals and Magazines" at the top of the column on the right side of the search results page. This will take you magazine articles relating to your search.
